Welcome to Dunedin 'the Eco-tourism Capital of New Zealand'

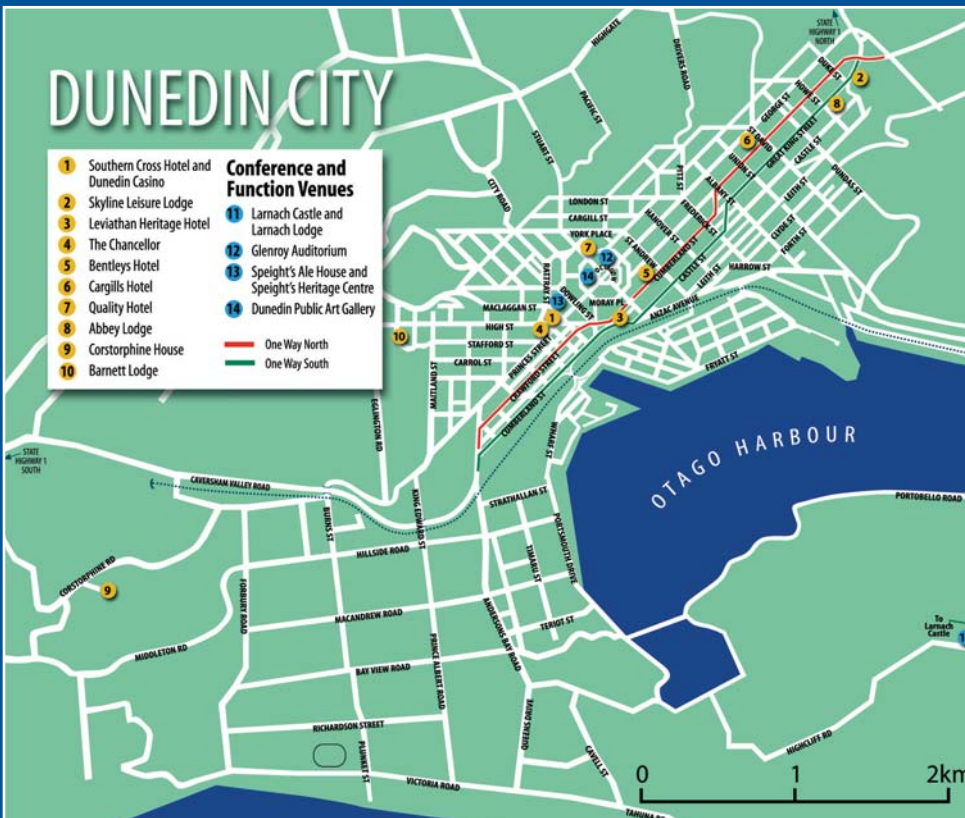

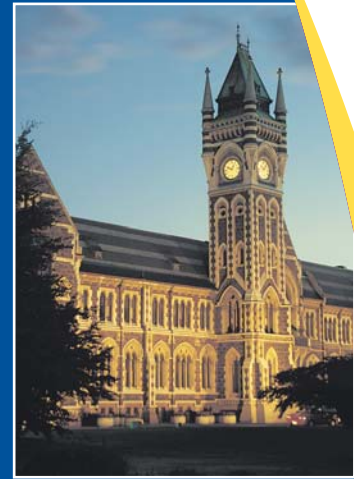

Dunedin . . . an endearing city of classical architecture and spectacular coastal scenery, with sights to see and so much to do.

Where else can you ascend the world's steepest street, view a Monet, take lunch in a 19th Century castle, visit the world's only mainland breeding colony of the Northern Royal Albatross.

See the world's rarest penguins waddling along white sand beaches, shop at one of our many local designer boutiques and dine in style at an award-winning restaurant or one of our numerous cafes or bars. And that's just on the first day.

Dunedin packs so much into so little space.

Welcome to Dunedin, the eco-tourism capital of New Zealand. We know you will enjoy your stay!
